

## **JOB OPPORTUNITY WITH INDULI WHOLESALE NURSERY**

Farm manager / Operations manager

We are seeking a highly capable and assertive individual with experience in horticulture or nursery work as well as managing and leading staff. This role is based across two branches—one in Grabouw, Elgin, and the other in Redhill, Scarborough—requiring frequent travel between locations.

Key responsibilities include overseeing the performance and productivity of staff, ensuring tasks are completed to the required standard, and maintaining a well-structured and efficient work environment. We are looking for someone with strong leadership skills, confidence, and the ability to address challenges effectively and professionally.

- Previous experience in the green industry is advantageous.
- Strong communication skills, including the ability to create schedules and draft reports.
- Demonstrated responsibility, reliability, and effective time management skills.
- A valid driver's licence: possession of a Professional Driving Permit (PDP) is preferred for occasional staff transportation.
- A personal vehicle is required initially; a company vehicle will be provided upon successful completion of the probation period.

*Please note: References from previous roles will be contacted as part of the selection process.*

Salary will be dependent on applicants' qualifications/experience
