

**Sales Representative – Gauteng & Eastern Cape
(2 Positions Available)**

We are looking for energetic, self-motivated Sales Representatives to join our growing team in the Pot and Ceramics industry.

The successful candidates will be responsible for servicing existing clients, developing new business opportunities, and maintaining strong relationships within their designated regions.

Requirements:

- Must have previous sales experience
- Must have experience in the horticultural and nursery industry
- Must have a valid driver's license
- Must have own vehicle
- Strong communication and people skills
- Good organisational and administrative skills
- Knowledge of plants, plant varieties and plant names will be advantageous

Responsibilities:

- Calling on existing clients
- Growing and developing new business
- Assisting customers with product selection
- Maintaining product knowledge and market awareness
- Achieving sales targets
- Coordinating orders and customer service
